

# Get PRINCE2® certified with HiLogic - PRINCE2 Practitioner

## Practitioner Course Information

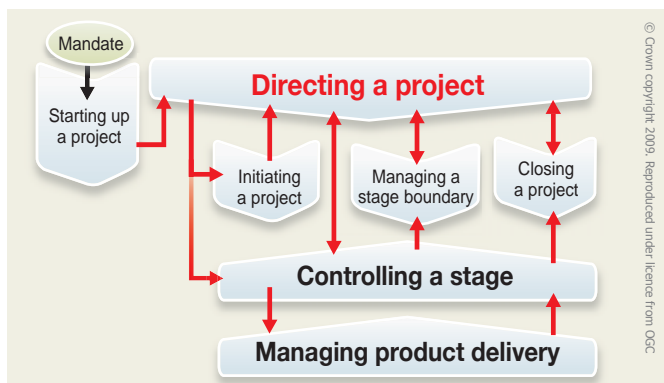

PRINCE2 is a project management methodology that will benefit all types of projects and projects of different sizes. Designed to facilitate effective control of projects it consists of 3 core elements; PRINCE2 Principles, PRINCE2 Processes and PRINCE2 Themes.

The Practitioner course is a program designed to develop the participant's ability to apply PRINCE2 in different project environments and adapt PRINCE2 under specific project scenarios.

PRINCE2 Practitioner is delivered as a 2 day event. For in-house training PRINCE2 Practitioner can be completed over 2 or 3 days.

### The Practitioner training will:

- Expand the participant's understanding of the principles and philosophies underpinning PRINCE2.
- Provide detailed explanations on PRINCE2's elements, their relationships and how they can be applied in different project environments.
- Provide participants experience in applying PRINCE2 in different project environments.
- Explain how PRINCE2 can be effectively applied to address the needs and problems of a specific project scenario.
- Provide participants experience in applying PRINCE2 to address the needs and problems of a specific project scenario.
- Prepare participants for PRINCE2 Practitioner Certification.

### Course Composition

The training is a scenario based training course focusing on the application of PRINCE2 under different project environments and scenarios. Review and revision sessions of all PRINCE2 elements are included throughout the training.

### Practitioner Exam

The PRINCE2 Practitioner Exam is a 2.5 hour open book scenario based exam. The participant must provide responses to 9 questions presented in the following style:

- Classical multiple choice
- Yes/No
- Multiple response
- Matching
- Sequencing
- Assertion/reason

### Who should attend?

Project Managers in need of a method to help manage projects of different types and sizes and Project and Programme Support staff wanting to learn how to effectively apply PRINCE2 to projects.

### Prerequisite

To attend this course the participant must have successfully passed the PRINCE2 Foundation Examination. We also recommend Practitioner participants complete 10 - 12 hours pre-course work. Our Practitioner pre-course pack will be sent to all participants on payment of course fee.

The maximum score for the exam is 108 marks. The participant must acquire more than 55% of marks available to pass the exam.

**Practitioner Re-registration** - PRINCE2 Practitioners are required to be re-registered within 3-5 years of their original certification. This re-registration comprises a 1-hour examination set at the same standard as the Practitioner examination.
